

Fairy Dust – Paper Pieced Star Quilt

PLEASE NOTE: This class will involve monthly “sewing at home” work.

Equipment, Tools and Supplies - Home

For this project you will need the following – at your home sewing space - to successfully complete a Lone Star Quilt top.

- Sewing Machine in good working order
- ¼” foot or a marking that will meet your needs
- Rotary cutting mat – 18” x 24” or larger
- Rotary cutter with a sharp blade
- 6” x 24” acrylic ruler with 45 degree markings
- 50 weight cotton sewing thread – neutral colour or to match fabrics
- 12/80 sewing machine needles – sharp or quilting
- Pins/pincushion full of pins/Mini Clips
- Seam Ripper
- Stilletto/bamboo skewer
- Iron
- Add-a-Quarter Ruler – optional, but helpful (FibreChick)
- Postcard or template plastic – (FibreChick)
- Tweezers
- Tape
- Glue Stick

Fairy Dust: 88' x 108''

Bring to class the following:

- Rotary cutting mat (optional)
- Rotary cutter with new/sharp blade
- 6” x 24” acrylic ruler with 45-degree markings
- Fabric
- Pins
- Mini Clips or clothespins
- Iron (optional)
- Ironing pad (optional)

Fabric Selection

Please note: These are only approximate fabric amounts.

Background: 4m. – 5.

Focus Fabrics: 5 Fabrics, 1 m. cuts

- Batiks or hand dyed fabrics are great for paper piecing, as you don't have to focus on the right or wrong side of the fabric.
- Good contrast between the Background and the stars is important.
