This is an impromptu sew along. Covid 19 has made us stay close to home. A sewing camp weekend my shop usually participates in is cancelled. No time like the present to sit down and sew.

Please refer back to this page as I will revise it as I go along. Like I said impromptu....and free.

This topper lends itself to a scrappy look. Reach in your fabric stash and find some fun fabric.

All blocks are 3 ½" x 3 ½" or 6 ½" x 6 ½" or 3 ½" x 6 ½" unfinished.

CHECK BACK FOR PIECED CUTTING INSTRUCTIONS.
