

Ten Quilt Blocks! Ten Months! Let the piecing begin...

The goal of this program is to COMPLETE ten quilt blocks in ten months. This Makers' program has monthly quilt-related demonstrations and a monetary fee to serve as an incentive to help you complete the quilt blocks and, hopefully, eventually a quilt.

Welcome to the Sawtooth Star Sampler Block of the Month (BOM) program. Please read through the following so you are aware of how this program works.

Provided with this program are:

- Monthly block kits
- Quilt-related demonstrations
- A monetary incentive plan to aid in fostering block completion

Block patterns for this BOM are written for rotary cut, machine pieced blocks.

To participate in this BOM, participants will know how to:

- thread a sewing machine
- Wind a bobbin
- Use a rotary cutter with an appropriate ruler and self-healing mat

Guidelines:

1. **Registration** must take place by December 31, 2021.
 - This is a 10-month quilt block program, finishing in June 2022
 - **Select a Fabric Colourway.** This colourway will be cut for you for 10 blocks; 10 months. Should you not like the colours provided it is your prerogative to change the fabric, at your own expense. Sometimes part of the challenge in quilting can be working with colour.
2. **Block construction demonstrations/information sessions** will take place on the third Saturday of each month. No sewing machine is required during these sessions.
3. **Return one month later with the block completed** and receive your next months' block. We want to see YOU and your completed block. Not your spouse, sister, daughter or friend (unless they have signed up too) You have till the end of the monthly information session to bring in your completed block and receive the next block in the Sampler. If you have not completed the block, you will pay the cost of the block. This is the "monetary incentive" to keep you on track.
4. **If you cannot make it to the information session** due to special circumstances:
 - Post your block picture on the Star Sampler Facebook page
 - Text a picture to Kim at 705-498-3555
 - Email at fibrechick@hotmail.com
 - Drop by the shop and show off your completed block and receive the next block

Please note: If you fail to pick up your blocks for two months quilt block kits will no longer be cut for you.
